

What is KAZANA bar?

The word KAZANA originates from ancient India and means 'Treasure'. We created our KAZANA bar by starting with the healthiest ingredients on earth- raw fruits, nuts, seeds and spices. To that we added our very own treasure- 'Praas' Anti-Aging herbal supplement made with antioxidant rich Amalaki fruit, resulting in a rejuvenating wholesome food that would delight the mind and invigorate the body. A bar with so many good things..... it just made sense to call it KAZANA –'Treasure' of nutrition.

KAZANA bar is made of the finest organic ingredients because we believe you deserve the best.

Try Kazana bar today. Every bite will prove that the flavors and textures of raw, unaltered food are extraordinary.
